# CALIFORNIA UNIFIED CERTIFICATION PROGRAM (CUCP)

REVISED October 14, 2015  
January 28, 2015

Ms. America Tang  
AZ Construction, Inc.,  
DBA Ace Fence Company  
727 N. Glendora Ave.  
La Puente, CA 91744

## **RE: DISADVANTAGED BUSINESS ENTERPRISE (DBE) CERTIFICATION APPROVAL** **CUCP File No. - 34153**

Dear Ms. Tang:

We are pleased to advise you that after careful review of your application and supporting documentation, the City of Los Angeles has determined that your firm meets the eligibility standards to be certified as a **Disadvantaged Business Enterprise (DBE)** as required under the U.S. Department of Transportation (U.S. DOT) Regulation 49 CFR Part 26, as amended.

Your firm will be listed in the California Unified Certification Program (CUCP) database of certified DBEs and the City of Los Angeles DBE/MBE/WBE directory under the following specific areas of expertise that you have identified on the business service form for contracting opportunities:

<u>NAICS Codes</u>	<u>Description</u>
237310	Highway, Street, and Bridge Construction
237990	Other Heavy and Civil Engineering Construction

Your DBE certification applies only for the above codes. You may review your firm's information in the CUCP DBE database, which can be accessed at the California Unified Certification Program's website at <http://californiaucp.org> and the City of Los Angeles DBE/MBE/WBE database at <http://bca.lacity.org>. Any additions and revisions must be submitted to the City of Los Angeles for review and approval.

In order to assure continuing DBE status, you must submit annually a No Change Declaration with supporting documentation, which will be sent to you. Based on your annual submission that no change in ownership and control has occurred, or if changes have occurred, they do not affect your firm's DBE standing, the DBE certification of your firm will continue until or unless it is removed by our agency.

Also, should any changes occur that could affect your certification status prior to receipt of the Declaration, such as changes in your firm's name, business/mailling address, ownership, management, or control, or failure to meet the applicable business size standards or personal net worth standard, please notify us immediately. DBE certification is subject to review at any time. Failure to submit forms and/or change of information will be deemed as failure to cooperate under Section 26.109 of the Regulations.

**REVISED OCTOBER 14, 2015**

AZ Construction, Inc.,  
DBA Ace Fence Company  
January 28, 2015  
Page 2

Your DBE certification status will be honored by all of the U.S. DOT recipients in California.

For information on City of Los Angeles contracting opportunities, please register at <http://LABAVN.org>.

Should you have any questions, please contact Kelly H. Kim at (213) 847-2644 or e-mail at [kelly.kim@lacityr.org](mailto:kelly.kim@lacityr.org).

Sincerely,

Rolando Tuason, Certification Supervisor  
Office of Contract Compliance  
Bureau of Contract Administration

### GOOD FAITH EFFORT NOTES

---

- Calmex Engineering has authorized DBEsOutreach, Inc. to complete this good faith effort outreach per DBEsOutreach process on its behalf for the referenced project in the above summary.
- Calmex Engineering is responsible for the accuracy of information sent to recipients by fax, e-mail, and phone, and published on web ads via the DBEsOutreach.com service.
- Calmex Engineering should review the comments documented in the phone logs and follow-up reports and act accordingly, if required, to further show good faith effort.
- Calmex Engineering can choose to solicit more than thirty firms as they see necessary to demonstrate more good faith effort. The count of thirty is not a standard number that is required by any agency.
- Calmex Engineering is free to perform any other good faith effort in addition to that performed by DBEsOutreach, Inc. The additional efforts should be documented and amended to this report.
